

Dear Jessica,

After working with Yachting Pages for many years I would like to express my gratitude to you and your team for your continued professionalism. I appreciate being able to advertise again in such difficult times such as these.

Yachting Pages has enabled me to promote my business to all the visiting super-yachts to Mallorca, something I would not have been able to do without your help.

Your distribution is always thorough and it is a very widely used publication by the whole industry.

It is an absolute pleasure to do business with you,

An affectionate greeting,

Jaume Bernades
