Mob : 06-25-61-63-98

Email : ann@cabinshop.eu

I would definitely like to renew our advertising in Yachting Pages this year as I think it is the first point of reference for many people in the yachting community.

Cabin shop is increasing its activities among new builds and shipyards as well as its busy time at the beginning of the season and we feel that Yachting Pages is an essential tool for these expanding markets.
